

Elliptical E845

SportsArt ellipticals are the perfect option for exercisers looking for a total-body, low-impact workout. The contact heart rate is standard and a wireless Polar® HR receiver is built in, multiple language options are included (English, Spanish and French) and a 3-speed fan keeps users cool.

- Industry-leading 17"-29" electronically adjustable stride; conforms to the user for superior comfort and versatility
- Vari-stride programs change stride length to maintain target heart rate, for greater calorie burn, working multiple muscle groups in one session
- Myflex™ pedal cushioning system provides a comfortable workout platform
- Energy Smart feature to minimize the energy consumption while product is in idle

Overall Weight	Dimensions	Resistance Level	Stride Length	Maximum User Weight
132 Kg	2020 × 790 × 1730 mm	40 levels	17" - 29"	205 Kg
